## STREET, MACK AGAIN CAST ENVIOUS EYES TOWARD WORLD TITLE

Cards, Athletics Loom as Probable Opponents Again This Season.

By HERBERT W. BARKER Associated Press Sports Writer.

Those sights of contentment you hear from St. Louis and Philadelphia probably are emitted by Gabby Street and Connie Mack, managerial rivals of the 1930 world series.

You needn't bet on it unless you feel so inclined but it looks suspiciously as though Street's Cardinals and Mack's Athletics, again will square off in the October classic. For the Cardinals today led the National league parade by six games while the Athletics had a seven-game margin over their nearest American league rivals.

Most of yesterday's action was concentrated in the American league, the A's setting the pace for the rest with a 12-7 triumph over the Chicago White Sox for their seventh victory in a row.

Plenty for One Inning Hank McDonald started off for the champion but decided to call it a day after the first inning when the Sox scored six runs. Roy Mahaffey came in and held Donie Bush's crew to four hits and one run for the first eight innings while the A's slugged four Chicago pitchers for 16 hits to tie the score in the second inning and win out easily in the later innings. The White Sox were soundly beaten but they had the satisfaction of engineering a triple steal in the opening frame while McDonald was winding up, much to young Hank's embarrassment. Jimmy Fox hit his nineteenth homer for the A's.

The Washington Senators kept step with the champions by beating the Detroit Tigers, 7-3, for their fifth straight win. The Senators won out by scoring six runs in the second inning to six singles and a pair of Tiger errors. Fred Marberry granted 11 hits but tightened up in the pinches to win his ninth game against one defeat.

The New York Yankees made it three in a row over the St. Louis Browns as Ed Wells, slightly out-pitching Walter Stewart, drove in two runs with a double and single and scored one himself, to win, 8-5.

Clint Brown held the Boston Red Sox to four hits, two in the first inning, as the Cleveland Indians smashed out 14 hits to win, 9-2. Luke Sewell was the only Indian who failed to connect safely.

The Chicago Cubs beat Brooklyn, 1-0, in the only National league game of the day. Danny Taylor's triple followed by Ralston Hemley's single accounting for the sole tally of the contest in the seventh. William Watson Clark, seeking his eighth straight victory, gave the Cubs only three hits but lost out when his teammates failed to solve Charley Root's delivery in the pinches. Root was touched for seven hits of which three went to Frank O'Doul. Despite the defeat, Brooklyn retained second place, a half game ahead of the New York Giants and one game ahead of the Cubs.

By BOB KIRKPATRICK Sports Editor, The Star

All good things must sometime end and taking it from the standpoint of St. Paul's Lutheran Sunday school the best thing possible has now reached its conclusion. In case you don't understand, I'm speaking of St. Paul's loss of the pace-setting post in the No. 2 Sunday school league. Yesterday the club from the little church on Windsor street was leading the pack by one full game, today they are sharing the top position with First Presbyterians.

The reason is all very simple. St. Paul threw away a game to the United Brethren 7-5 while Wesley M. E. was politely forfeiting its start to the Presbyterians.

Form Reversed Poor base running cost the St. Paul Lutherans their chance to remain in undisputed lead of the pack for at least another week. At least two men failed to score on easy chances simply because they failed to run when the time came. Scoring runs is really quite difficult when the runner on third base declines to run.

Don Lindsey of St. Paul and "Dutch" Zuppan of United Brethren, opposing hurlers, were both pounded freely by the batters.

Lindsey gave up nine safeties and Zuppan was nipped for an even dozen. Of these hits seven were of the extra base variety, four by U. B. and three by St. Paul.

Two in a Row The Christian Seniors may or may not win any league championship this season but there is one little they can claim without much danger of dispute. That is the Central Christian Sunday school crown. For the second time this year the Seniors met the other representative team from the same church and for the second consecutive time gave them a sound beating. It was a weird ball game taken from us angle but the score is all that counts and that was 4-2 for the Seniors.

There may be worse ball games played this summer than the Christian vs. Christian setoff but if there are the public should be spared of seeing them. There were several good plays made during the seven innings but there were a lot more bad ones. The No. 1 entry out of the Seniors 7-4 but couldn't bunch the safeties enough to score more than two runs. Roscoe Rank batted out a homer that brought in one of the runs. The bases were empty at the time, Rank being the first man up. Rank and Schneider, opposing hurlers both turned in a fairly good game but both lacked control. But poor fielding and worse baserunning had more to do with the score than either pitcher ever thought of having.

Dropping Lower First Reformed Sunday school allowed itself to be shoved a notch nearer the cellar by taking one on the chin from Forest Lawn Presbyterians. Mutt Kellogg, special artist of the winners, sent eight men to the bench via the strikeout route and limited Reformed to six singles. Dale Schwaderer, Reformed hurler, turned in a creditable job of pitching but couldn't win the game alone. Reformed went

into the last frame six runs behind and Schwaderer took it on himself to do something at least towards winning so he smacked a home run and gave the losers their only counter.

For the first time this season Wesley M. E. failed to have sufficient players on the field to start the game so the First Presbyterians were awarded the game on a forfeit. The game was played anyway. Wesley using two ineligible men and the Presbies won 4-0 but the game was "no contest" as far as league play is concerned.

Batteries and score by innings: Christian Seniors 202 000 0-4; Christian No. 1 100 010 0-2; Christian Seniors, Schneider and Lantz; Christian No. 1, Rank and Hinklin; First Reformed 000 000 1-7; Forest Lawn 001 320 x-4; First Reformed, Schwaderer and Burkley; Forest Lawn, Kellogg and G. Peadar.

St. Paul 003 100 1-3; United Brethren 041 011 x-7; United Brethren, Zuppan and Noble; St. Paul, Lindsey and Honiker.

### ERRORS BEAT CAREY

Eighth inning errors brought about the downfall of Carey's baseball team Sunday afternoon in a game with Sandusky. The final score was 9-5. Both teams got 10 hits but six misplays were charged to the losers. Carey will play the strong Springfield Tramps next Sunday.

Batteries and score by innings: Carey 020 000 120-5 10 6; Sandusky 011 000 25x-9 10 0; Batteries: Ferner and G. Orions; Blough and Thompson.

### TICKET SALES GOOD

Kenneth Crawford, sales director of tickets for the benefit movie at the Marion theater Wednesday and Thursday of this week reports the ticket sale as good. The proceeds of the movie will go toward paying the expense of two softball players recently injured in games here. It is being sponsored by the V-Indus club. Club members are canvassing the ball games daily and are urging that tickets be purchased if possible from members of the club.

### ALL-STARS BEAT BAKERS

The Marion All-Stars chalked up another victory yesterday, winning this time from the Honey Krust Bakers, 1-0 in an eight inning game. An over-throw from first to third allowed the only run of the game in the eighth.

Batteries and score by innings: All-Stars 000 000-1 6 1; Honey Krust 000 000 0-0 8 1; Honey Krust, Nlath and Gorenflo; All-Stars, Robbins and Putnam.

### BY BOB KIRKPATRICK

If some brilliant softball fan in the city will forward to this publication an answer to the question, who is going to win the pennant in the No. 1 Sunday school league this season, he will do a legion of fans a good turn. Followers of the league are so dizzy trying to figure out a winner they are completely out of their minds. If you don't think so go to one of

the league contents on Tuesday. At the beginning of the season the answer to the above question was tough. Ordinarily one expects such a question to become somewhat easier as the race goes into the home stretch. Not so in this one. It is getting tougher all the time.

Calvary, now setting the pace for the circuit merely laughs when anyone suggests they won't win the flag although there is a faint suspicion at times that this laugh is not so much of confidence as of other things. The Irish nine is supremely confident of launching an offensive this week that will crush the hopes of all other aspirants. John Clark is absolutely unreasonable in his declaration that the only way his team can be kept from winning the gonfalon is to declare a moratorium on league pennants this season.

Trinity Baptist still has a finger in the pie and insists it will have its whole flat in before another three weeks become history. The Epworth Bishops are also hanging around, not giving a whole lot, but they do want to be in the little game of "throat-cutting," perhaps slipping in into the lead if the other teams do the "right thing" by them. Lee Street has not quit the race either although they seem at this point to be rather effectively distanced.

Which team is right? Your guess is as good as anyone else's. Personally, I favor Calvary although not by any great margin. They have at least one more beating coming. The only thing certain about the race is that whichever team wins it will have earned it. There never has been a race in the No. 1 circuit that can even compare with the one this season.

### Did You Know That:

There are at least 1,000 individuals playing recreation baseball in the city, this number being divided among upwards of 50 teams. . . . balls alone cost the city softball commission more than \$300 a season. . . . the Wesley M. E. team of the No. 2 Sunday School league has lost more club games this season than any team in the city. . . . the Wesley Juniors are the only team in the four city leagues which has not won a game yet. . . . umpires have been ordered to clamp down on those players who spend their time "kicking" rather than playing ball, the object being to lessen the number of arguments which have marked games in the last few weeks. . . . the commission will stand behind them too so it looks like the exit for the bad boys!

## CAN BABE HOLD HOMER THRONE?

**BABE RUTH**  
If there's one thing that a baseball fan loves more than another, it is to see a ball get smacked straight on the nose and sent for a non-stop hop right out of the park. That is one of the big reasons for Babe Ruth's immense popularity.

**CHUCK KLEIN**  
But this season the Bambino isn't having things all his own way. He is being hard pressed for the fence-busting honors. At the time of writing, Gehrig, his teammate of the Yankees, is leading him in circuit wallops, as is Chuck Klein, of the

**LOU GEHRIG**  
Phillies. Jimmy Fox, of Connie Mack's Athletics, is also in the race, an opponent not to be lightly dismissed, while Averill, of the Cleveland Indians, gives indications that he is due to be heard from. Times are hard for kings and even Kings of Swat have their ups and downs.

## MILLERS MOVE IN SECOND POSITION ASSOCIATION RAC

Louisville Shoved into Third as Kelleymen Outlast Colonels To Win 11-10.

By The Associated Press  
CHICAGO, July 21—Mike Yagor, dean of American Association managers, has moved his Milwaukee club into its make or break position of the season.

The Millers outlasted Louisville for an 11 to 10 victory yesterday and today were in second place, one half game in front of the Colonels, and six games behind their nearest rival, St. Paul. The Colonels leave Minneapolis tomorrow night, the Millers will play a series with St. Paul, and Kelley who already has had six Association championship clubs may lead his team close to the lead when the series is over.

Frank McGowan, playing his first game for the Millers, doing with the bases full in the ninth chase in the winning runs, played a brilliant game in the field. Jose Olivares had put the Colonels a run in front in the half of the ninth with a home run.

Indianapolis, with Bill Burdette pitching excellent baseball, led in its series with St. Paul by winning, 11 to 1. Burdette, not scored upon until the eighth when Honkins' single, drove Durest. The Indians clipped M. and Bream for 13 hits, including triple and two singles by Koenekne. The Saint had a day in the field, committing misplays, three of which charged to catcher Fennell.

Dinty Gearin, veteran Milwaukee southpaw, and C. Arthur Smith, continued to lead the Brewers an 11 to 4 victory over the Gearing gave twelve hits, but almost unhit with men on bases. He tired in the ninth was nipped for three runs, but contest was in the bag before Shires drove in five runs with brace of singles and a double. Kansas City was prevented from trying for its tenth straight win because of wet grounds.

### DENMARK BEATS MORRIS

Denmark defeated Morris in Tri-County league game Sunday afternoon. The final score was 11 to 4.

### Coach Robert Zupke of St. Paul told the Optimist club of St. Paul that big football games are a "sign" because "people should ship the best."

# GRAIN PRICES HOLD STEADY

Traders Await News of Financial Conference in London, England.

By The Associated Press  
CHICAGO, July 21.—Awaiting news of definite developments at the international financial conference in London, grain prices marked time early today. Fluctuations kept within extremely narrow limits, and showed no pronounced trend either up or down. Starting trend either up or down, wheat held near the initial range. Corn opened unchanged to 1/4 down and later fluctuated but little. A feature of wheat trade was enlarged buying of July, giving relative strength to that delivery and helping other months to advance at times. Purchase orders were associated with belief expressed in some quarters that the prevailing low price level was clearing up market resistance such as few in trade ever believed would develop in the face of the enormous movement of new crop domestic wheat. Notice was also taken of Canadian crop advances indicating that for the third successive week improved moisture conditions had been effective only in stopping deterioration of wheat, but had brought about no improvement of expected yield. Bullish sentiment as to wheat was further stimulated by word of better demand for North American exports. Winnipeg messages said 1,000,000 bushels of Canadian wheat had been taken for overseas shipment. There were also reports that negotiations were underway for a billion-dollar loan to Germany. Corn and oats paralleled the course of wheat. Provisions reflected downturns in hog values.

# Chautauqua Goers See Two Entertaining Plays

Channing Pollock's "The Enemy" and "Her Husband's Wife" Presented by Salisbury Players at Garfield Park Pavilion Before Good Audiences.

The first full day of Chautauqua, an afternoon and a night program, brought the Salisbury Players back to Marion in two plays, both notable hits of Broadway. "The Enemy," Channing Pollock's great drama of the effect of war on human lives, not in the deaths of those who fought, but in the ravages in the lives of those who stayed behind, was presented last night, and in the afternoon, "Her Husband's Wife," written by A. E. Thomas, was given.

**Given Ticket Report**  
Pledges for 1932 Chautauqua were received at the rate this afternoon and will be welcomed to night. E. N. Hale, ticket chairman in a report made public last night by George Whitehead, platform superintendent, announced that the sale of season tickets this year has been gratifying and better than for several years, combined with an added interest in Chautauqua which has not been manifested for several seasons. Mr. Hale made his report at a meeting of the executive committee, preceding the opening of the program.

Last night the play rose to heights in several scenes despite the handicap of setting and of lighting with which Chautauqua companies have to contend. Acting honors went to Evelyn Bowman as the young Viennese woman whose life was a tragedy because an archduke was shot, and to Cecil Schmitt in the role of her father, a professor who was a pacifist, who believed in teaching Christ instead of Christianity.

**Entire Cast Good**  
The entire cast was worthy of mention for the play is a difficult vehicle for a Chautauqua company to handle. Several of the players doubled in parts; Ethel Salisbury Hanley as a peasant woman and as a Viennese woman whose life was caught in the whirlpool of the war; Don Howell as the professor who made millions in the great war and as the husband of Ethel Salisbury Hanley; and John Connor who portrayed the young author whose soul was devoted to the beauty of his plays and his wife, Evelyn Bowman and as the shell shocked, broken young man who returned from the war only to find that "big business" had no use for the soldier, only the young, whole, healthy man.

Fred Lundgren was in the role of a young Englishman, in Vienna at

the time the war broke out, an outcast from the friends he had made, who returned at its close to find that hatred and prejudice had been wiped out, and that he was again their friend.

**Entertaining Comedy**  
The afternoon play was a pleasing comedy presented in a manner to get all the laughs over to the fair-sized audience. A wife who believes herself to be ill and that she's going to die, chooses the woman to be her husband's second wife. The woman is downright dowdy, but in a few days she develops into a dangerously attractive young girl and the poor wife is almost hysterical at the thought that maybe her husband is falling in love with the young woman.

The girl is really in love with the brother-in-law of the husband, and there are a few bad moments before the affair is untangled and straightens out to the logical happy conclusion of all comedies. Either Salisbury Hanley was quite capable in her role of the foolish wife, and Don Howell and Cecil Schmitt were good as the uncle and the husband. Evelyn Bowman was an attractive young woman. John Connor played the brother-in-law and Fred Lundgren was a butler.

Tonight patrons will be entertained by a double program opening at 8. The Arcadia Novelty company which presented the program this afternoon will give a prelude of music for a half-hour beginning at 8. At 8:30 Pamahaska will present his pets, birds, monkeys, dogs and a pony in a program which will be as entertaining to the adults as to the children.

Camper Finds Gasoline Pour In- gradient for Coffee.

CHARDON, O., July 21—Advice to campers! Don't percolate your coffee with gasoline. Eino Zethmayr and Ben Harrison had two pails, one filled with gasoline and one with water. The coffee was slow in percolating. Harrison poured in some liquid which he thought was from the water pail. It wasn't water and the pot exploded. There were no casualties.
